

Assessor reports are mandatory for all sections of the Award, they can be up loaded to eDofE without accessing eDofE itself! As an Assessor this means you can add your report to the participant's online eDofE from the National DofE website www.dofe.info, once on the main site, click Leaders then select "Assessor Reports" or go to www.edofe.org/Assessor

All you need is the participant's eDofE ID number, their Award level (Bronze, Silver or Gold) and the section you are assessing them for (Volunteering, Physical, Skill, Expedition or Residential). Please ask the young person you have been supporting for these details.
