A DofE programme is a real adventure from beginning to end.

It doesn't matter who you are or where you're from.

You need to be aged between **14 and 24** and realise there's more to life than sitting in your room playing on the computer.

You get to choose what you do!

Your programme can be full of activities and projects you enjoy.

Along the way you'll pick up great experiences, skills and learn new talents that will stay with you for the rest of your life.

You can make new friends and gain a nationally recognised Award!
