## Dough Art

Let's see your dough art skills! You can make anything from a basket to keep things in, to an ornament to hang on a tree. It's up to you.  
The only rule is that you must have fun!

- You will need:
- Mixing Bowl
  - Spoon
  - Rolling Pin
  - 2 cups of flour
  - 1 cup of salt
  - 1 cup of water

- Step 1:
- Put the flour and salt into a bowl and mix together
- Step 2:
- Gradually add the water and stir
- Step 3:
- Knead the dough for 10 minutes
- Step 4:
- Roll out the dough
  - You can now either use cutters to make shapes or model the dough into anything you like
- Step 5:
- Once you are happy with what you have made, place it in the oven on a foiled baking tray and cook at 140° or gas mark 1 for about an hour
- Step 6:
- Remove from the oven and allow to cool
  - If you want to add some colour you can paint your models
- Don't forget to show us what you have made!**
