

Sheep Craft Activity

You will need:

- Scissors
- White card/paper
- Thick wool or string
- Glue

Don't worry if you don't have a printer.

- Try and copy the picture of Larry the lamb on some paper
- Then design him a woolly jumper to wear

1. If you have a printer at home, print off this activity sheet onto white card/paper
2. Cut out the 8 shapes below
3. Make 4 holes where the 4 dots are
4. Thread thick wool or cord through the holes from the back and tie a knot at each end
5. Glue the head onto the 'X' or you could concertina some paper to make a springy neck
6. Repeat the process until you have made all 4 sheep that should look similar to the one in the photograph
7. Have a go at colouring them in if you want to
